

ESSAY TESTS AND CLASS TESTS

Examinations are an inevitable part of life and they are necessary too. PHCER conducted Semester 1 Essay test on 30th March 2022 and Class test on 18th April 2022 for F.Y.B.Ed Student-teachers as part of their internal assessment adhering to University of Mumbai guidelines. These continuous evaluations give our student-teachers a chance to understand where they lack and need to improve. It gives them a good opportunity to work out time-management strategies, techniques to think, summarize and answer and present well. What better way to show that our student-teachers are indeed tough outside and smart inside!

SEMESTER 1 EXAM ORIENTATION

PHCER organized an Examination Orientation Program on 10th June 2022 for F.Y.B.Ed. student-teachers that focused on various aspects of the Sem1 University of Mumbai Examination. All the student-teachers attended the session. The main objective of conducting this session was how to help student-teachers to face exams offline after a long gap without having fear or aversion towards offline exams, also to increase their confidence to perform well in exams. Student Orientation acts as a warm-up session for students-teachers before they are ready to hit the ground for their final performance in the university examination

COMMUNITY WORK

PHCER F.Y.B.Ed. Student-teachers rendered Community Service from 19th to 26th April 2022 at various places like Zilla Parishad Schools, old age homes, orphanages, leprosy centers, etc. to adhere to the demands of the community and B.Ed. curriculum. PHCER encourages student-teachers to do community service to expose them to people who are at a disadvantage, to help them to realize they can make a difference and to develop awareness and better understanding of the communities they live in. All the student-teachers spent time with them teaching and indulging in activities with them. Community service programme was one such activity which created a great sense of accomplishments to PHCER student-teachers. They considered it as a 'meaningful act of love and care' from their side to the needy ones.

SEMESTER 1 UNIVERSITY EXAMINATION

PHCER conducted University of Mumbai Semester 1 examination from 23rd June to 30th June 2022 for F.Y.B.Ed. student-teachers as per the guidelines given the University of Mumbai. The student-teachers had to attempt a University of Mumbai question paper that was well-balanced and student-friendly, with a good mix of analysis, application, and memory-based questions. The questions focused on MCQs and Short Answer types. Overall, the students were happy and satisfied with their performance.

ORIENTATION - CUM - INDUCTION PROGRAMME

PHCER organized a one day Orientation-cum-Induction Programme on 2nd March 2022 for the newly admitted 2021-2023 batch B.Ed. student-teachers. The objective of this programme was to acclimatize them to the new environment and get them acquainted with the institution culture. They were oriented about office procedures, scholarship schemes and portals, course system, internship activities and rules and regulations for the student-teachers' conduct. The rationale for induction was to ensure a smooth transition for them into the B.Ed. course system. All student-teachers participated with zeal and enthusiasm.

CO-CURRICULAR ACTIVITY 1: POSTER MAKING

PHCER organized a Poster Making Competition on 3rd March 2022 for F.Y.B.Ed student-teachers as part of their Co-Curricular Activity 1. The objective of the competition was to ignite the fire of imagination and creativity in them. The theme of the competition was 'Save Water'. They were asked to express their ideas through paintings and sketches. The student-teachers displayed their artistic skills through an array of posters and participated in the competition with immense zeal and enthusiasm and made beautiful posters which gave the message of saving water and providing a better world for future generations. They thoroughly enjoyed the activity.

CO-CURRICULAR ACTIVITY 2: TRASH TO ART COMPETITION

The student-teachers of F.Y.B.Ed participated in 'Trash to Art' competition as part of their Co-Curricular Activity 2 on 4th March 2022. The objective of the competition was to create love for the environment by making the best out of waste with the help of recyclable things. Broken bangles, plastic bottles, waste nails, peanut shells, beads, thermocol glasses, old CDs etc. which are waste in our day to day life were used in a constructive manner and a variety of things were made from them. The student-teachers displayed their creative art and craft ideas by making: a teapot and a cup, hat, paper vase, wall hangings, greeting cards, Utility box, toys and paper jewelry and many more. The creativity displayed by them was mesmerizing. The competition promoted artistic fervor in our Teachers of tomorrow.

CO-CURRICULAR ACTIVITY 3: ESSAY WRITING COMPETITION

Essay writing is a very sensitive form of self-expression. It is considered to be the most effective writing which encourages and enhances critical thinking and helps in organizing thoughts and improving communication skills. To express their world of imagination, PHCER organized an Essay Writing Competition on 5th March 2022 for F.Y.B.Ed student-teachers as part of their Co-Curricular Activity - 3. The topic of the competition was 'Role of Education in Empowerment of Women'. The essays were judged on the basis of the content, expression, accuracy and vocabulary. The purpose of the competition was to encourage the student-teachers to enhance their thinking and writing skills. The student-teachers showcased originality and good command over the languages.

INTERNATIONAL WOMEN'S DAY CELEBRATION

To honor womanhood, PHCER celebrated the International Women's Day with great zeal. Like every year, the F.Y.B.Ed. Student-teachers of PHCER organized a special programme on 8th March 2022 to make the day memorable. All the faculty members along with admin staff participated enthusiastically. The programme highlighted the importance of women, the role of women and her greatness in every sphere of our life. Each one presented their thoughts, experiences, and views on women empowerment, gender equality, gender neutrality and much more. The student-teachers conducted various games to mark this day. Everyone actively participated and delighted

CLASS PHOTOGRAPHY

The hustle and bustle of Picture Day is always exciting for teachers and student-teachers at PHCER. With everyone in their most stylish clothes, ready to showcase their beaming smiles and bright personalities, all look forward to seeing those amazing group photos that they'll cherish for years to come. A class photography session for F.Y.B.Ed. Student-teachers were organized on 18th April 2022 and PHCER succeeded in capturing the perfect shot that froze a special moment in time
